Announcing the 2017 Pioneer Book Scholarship Recipients!

Thanks to your commitment and gifts, four students will each receive a \$1,000 Pioneers Book Scholarship in the 2017-2018 academic year. All of the students are in their junior year and are family of NMSU alumni. You'll have an opportunity to meet them soon, but you can find out a bit more about them here:

Jordan Glaze is pursuing a bachelor's degree in mechanical and aerospace engineering with a minor in mathematics. He plans to pursue a master's degree in mechanical engineering. Both of his parents graduated from NMSU in the 1980s. His grandfather graduated in 1956.

Jonathan Villa is pursuing a bachelor's degree in music education and plays the trumpet. He serves in the U.S. Army Reserve and would like to audition for the U.S. Army National Guard band. Both of his parents graduated from NMSU.

Sara Manshad is pursuing a bachelor's degree in biology with further ambitions to become a physician to help patients in rural areas of New Mexico. Both of her parents and four brothers have graduated from NMSU.

Nathan Christensen is pursuing a bachelor's and master's degree in electrical engineering, where he focuses on robotics research. Both of his parents graduated from NMSU.

Join us as we continue to promote student success for generations of Aggies by donating to the Pioneers Book Scholarship today!

You can also make your donation online now at:
