Dear Aggies,

The Aggie Athletic Club is excited to announce new member benefits for active members residing outside the state of New Mexico.

One of the greatest benefits of AAC membership is access to priority seating and parking to NM State football and men's basketball games. However, taking advantage of these benefits can be difficult for those living outside our state borders.

Beginning with the 19-20 membership year, AAC members residing out of state will have access to new member benefits that include exclusive Aggie apparel and/or access to NM State Athletic events when members are able to travel to Las Cruces to cheer on the Aggies.

The goal of the Aggie Athletic Club is to cover costs associated with providing a world-class experience for our 425 student-athletes that includes books, fees, summer school, nutrition as well as room and board. The AAC benefits all 16 sports teams and when you make a gift, you are truly making an investment in the current and future success of Aggie student-athletes. Please know your investment will continue to pay dividends beyond their playing years as we prepare our student-athletes to be today’s champions and tomorrow’s leaders.

I encourage you to join us in our efforts in providing a quality education for Aggie student-athletes. You will not only get the feeling of pride knowing you are supporting Aggie student-athletes in the classroom and competition, but now you will have the opportunity to display that support with your exclusive Aggie Athletic Club gear from the AAC Item Shop inside this brochure!
